Communication skills

- communication skills acquired through my experience in Deloitte Audit SRL (where I coordinated different audit teams and worked with different people within the audited companies) and SNGN Romgaz SA (where, to fulfill specific tasks, I have to obtain information from different departments and services, not only from the economic ones)

Organizational/managerial skills

- good time management, as a result of the tight deadlines that I had to meet due to the tasks performed within Deloitte Audit SRL and SNGN Romgaz SA
- ability to prioritize tasks in the context of tight reporting deadlines
- leadership (in the audit activity I coordinated various teams; in the activity of SNGN Romgaz SA I coordinated the members of the department I am currently part of, namely the members of the departments within the Finance and Accounting Departments)

Skills acquired on the job

- knowledge of the sectoral procurement legislation, following the prior financial control endorsement of contracts/purchase orders
- knowledge of the internal control environment and procedures specific to the activity carried out within SNGN Romgaz SA
